Everything here is open for registration right now. No enrollment deadlines, no cohort close dates, no doors closing Friday. Only seats, and the rooms are small on purpose: 30 at a workshop or intensive, 20 at a VIP retreat. Pick your dates, budget for them, register when it clears.

Bringing your ED?

Sending two people is the best predictor of whether any of this survives contact with your Monday. Email me and we will sort the logistics.

Need an invoice or W-9?

Most finance offices need one to cut a purchase order. Ask and we send it the same day.
