WELCOME HOME REALTY

A community worth celebrating

Made for **Maple Grove Elementary**

A school. A local business. A book full of possibilities.

Explore your neighborhood with puzzles, coloring, creative activities, and small acts of kindness. This sample shows how a school fundraiser can celebrate its community while giving a local sponsor a meaningful place in the story.

A note from your fictional sponsor

"A wonderful neighborhood starts with people who care.
Keep learning, help a neighbor, and dream big!"
- Emma Brooks

This is a demonstration. The school, agent, and business are fictional.

Neighborhood number fun

1. Emma brings 12 books to a classroom. The students share 5 with another class. How many are left?

2. There are 4 streets with 6 homes on each street. How many homes are there altogether?

3. Three friends each plant 4 flowers. How many flowers do they plant?

4. A class reads 8 books on Monday and 7 on Tuesday. How many books did they read?

Design your dream school

What would make your school even more wonderful?
Draw it below. Add one thing that helps other people.

My favorite idea is:

Try a little kindness

Complete a row, a column, or the whole board.
Ask a trusted adult before helping outside your home.

Thank a teacher ☐	Share a book ☐	Encourage a friend ☐
Pick up litter safely ☐	Help at home ☐	Welcome someone ☐
Draw a kind note ☐	Listen carefully ☐	Care for a plant ☐

Something kind I did today:

Answers & a big thank-you

Word search - rows and columns count from the top left.

Kindness code: HELP YOUR NEIGHBOR

Number fun: 1) 7 2) 24 3) 12 4) 15
