OLD SCHOOL, PROPERLY MADE

We learned these drinks from people who never wrote anything down. No foam, no smoke, no tweezers. Just cold glass, good spirit, and the right amount of patience. The White Bird Sling is the one we made up ourselves, and we'll admit we're proud of it.

House Pour Spirits

NEAT, ON THE ROCKS, OR MIXED

Nothing on this shelf is here to impress anyone. These are the bottles we actually reach for at the end of a long service — poured into a proper glass, over ice that hasn't been sitting around all night. Ask for it neat and we'll never argue.

STAY A LITTLE LONGER

This is the part we like best. The plates are gone, the table's loud, nobody's looking at the time. Order one more — an espresso, a long black, a pot of chamomile — and stay as long as you like.
