

SUMMER HOME MAINTENANCE CHECKLIST

Simple seasonal tasks to help keep your home safe, secure, and well maintained this summer.

1. OUTDOOR SAFETY & EXTERIOR

- Check your children's backyard play equipment for safety issues.
- Check the exterior siding.
- Check your wood deck or concrete patio for deterioration.

2. HOME SAFETY & SECURITY

- Check the nightlights at the top and bottom of all stairways.
- Check all windows and door locks.

3. APPLIANCES & FAMILY PREP

- Check the water hoses on the washing machine, refrigerator, icemaker, and dishwasher for cracks and bubbles.
- Devise and practice an emergency escape plan with your family.

A little maintenance today helps prevent costly repairs tomorrow.

When in doubt, call your local home inspection professionals.

We're here to help!
