

# K L I M B O

HELPS YOUR KIDS WASH THEIR HANDS

**KLIMBO-STEP** is the second retractable step of Klimbo's product line that responds to children's need for independence by allowing them to easily reach the lavatories in public restrooms without hindering other users.

Affordable and easy and quick to install, Klimbo-Step is ideal for upgrading existing facilities.

Klimbo-Step caters to the needs of young families, promotes healthy hygiene and enhances customer experience.
