

PARENTOK - MOBILE TERMS

Effective Date: July 04, 2026

Parentok LLC, doing business as Parentok™ (“Parentok,” “we,” “our,” “us”), does not currently offer or require SMS, MMS, or text-message communication to purchase, access, or use Parentok products.

You are not required to provide a mobile number or agree to receive text messages as a condition of purchase.

If Parentok ever offers SMS, MMS, or text-message communication in the future, you will only receive those messages if you voluntarily opt in through a clear Parentok form, checkout page, lead form, registration page, or other opt-in method.

Use of Parentok mobile communications, if ever offered, will also be subject to our Terms & Conditions, Privacy Policy, and Disclaimer.

1. No SMS Requirement

Parentok does not currently use SMS, MMS, or text messaging as a required part of product access, customer support, community participation, or purchase completion.

Any mobile number provided to Parentok, if applicable, is not used for SMS marketing unless you separately and clearly opt in to receive text messages.

2. Future SMS Consent

If Parentok offers SMS, MMS, or text-message communication in the future, consent will be voluntary and not required as a condition of purchase.

Any future SMS opt-in will include appropriate disclosures where required, such as message type, message frequency, opt-out instructions, and notice that message and data rates may apply.

Promotional or marketing text messages will only be sent with the required consent.

3. Opt-Out Instructions

If Parentok offers SMS messaging in the future and you opt in, you may unsubscribe at any time by following the opt-out instructions provided with those messages.

Common opt-out methods may include replying STOP to unsubscribe or contacting us at support@parentok.com.

4. Message & Data Rates

If SMS, MMS, or text-message communication is ever offered, standard message and data rates may apply based on your mobile carrier and plan.

Parentok is not responsible for carrier fees, message charges, data charges, roaming fees, or other costs charged by your mobile provider.

5. Privacy

Parentok does not sell, rent, or share mobile numbers with third-party advertisers for monetary gain.

Any mobile number or SMS-related data, if collected in the future, will be handled according to our Privacy Policy.

6. Policy Updates

We may update these Mobile Terms periodically.

A new effective date will appear at the top, and the latest version will apply once posted.
