Who we are

This policy explains how Kingdom Wealth Wisdom collects and uses your personal information when you visit kingdomwealthwisdom.com, take the Kingdom Alignment Assessment, buy the Kingdom Wealth Wisdom eBook or join our email list.

Kingdom Wealth Wisdom is run by Sarah Jessica Anjorin, based in the United Kingdom. We are the "controller" of your personal information, which means we decide how it is used.

If you have any questions about this policy or your information, email us at sjanjorin@gmail.com

What information we collect

We only collect the information we need to deliver what you asked for and to stay in touch if you want us to.

- **When you take the assessment:** your first name, email address, your answers, your scores and results profile, and whether you would like to join the community waitlist.
- **When you buy the eBook:** your name, email address and order details. Card payments are handled securely by our payment provider, Stripe. We never see or store your full card details.
- **When you receive our emails:** whether you open them or click a link, so we know what is useful to you.
- **If you send us a testimonial or reply to an email:** what you choose to tell us. We only publish a testimonial with your permission, using the name you agree to.
- **When you visit our website:** basic technical information such as your device, browser and the pages you visit.

How we use your information

UK data protection law requires a lawful reason for each way we use your information. Ours are set out below.

What we do	Why we are allowed to
Show and email you your assessment results	To provide the service you asked for

Process your order and deliver your eBook	To fulfil our contract with you
Keep records of purchases for tax and accounting	Legal obligation
Send you encouragement, resources and offers by email	Your consent, or, if you have bought from us, our legitimate interest in telling you about similar products
Let you know when the Kingdom Wealth Wisdom Community opens	Your consent, given when you join the waitlist
Publish your testimonial	Your consent
Keep our website secure and working properly	Our legitimate interests

You can unsubscribe from our emails at any time using the link at the bottom of every email, or by emailing us. We will never sell your personal information.

Who we share it with

We only share your information with trusted services that help us run Kingdom Wealth Wisdom, and only what they need to do their job:

- **HighLevel (GoHighLevel / LeadConnector):** hosts our website, assessment and sales pages, stores contact records and sends our emails.
- **Stripe:** processes card payments.
- **PayPal:** processes card payments

Some of these providers store data outside the UK, including in the United States. Where this happens, they use safeguards recognised under UK law, such as approved contract terms, to protect your information.

We may also share information if the law requires it.

Cookies

Our website uses a small number of cookies that are needed for pages, forms and checkout to work properly. We do not currently use advertising or tracking cookies. If that changes, we will update this policy and ask for your permission first.

You can block or delete cookies in your browser settings, though some parts of the site may not work as expected.

How long we keep it

- **Assessment results and email list details:** for as long as you stay on our list. If you unsubscribe, we keep a note of your email address so we don't contact you again.
- **Purchase records:** six years, to meet UK tax and accounting rules.
- **Testimonials:** until you ask us to remove them.

After that, we delete your information securely.

Your rights

Under UK data protection law, you have the right to:

- ask for a copy of the information we hold about you
- ask us to correct anything that is wrong
- ask us to delete your information
- object to, or ask us to limit, how we use it
- withdraw your consent at any time, including unsubscribing from emails
- ask for your information in a format you can take elsewhere

To use any of these rights, email sjanjorin@gmail.com. We will reply within one month.

If you are unhappy with how we have handled your information, please contact us first so we can put it right. You also have the right to complain to the Information Commissioner's Office (ICO), the UK's data protection regulator, at ico.org.uk or on 0303 123 1113.

Changes to this policy

We may update this policy from time to time, for example when the Kingdom Wealth Wisdom Community launches. The latest version will always be on this page.
