## EOD Gear Company Data:

UEI: NB2RPSSAB614

CAGE: 6VW15

GSA Schedule: #GS-07F-148GA

## NAICS Codes:

332994\* 339920 332710 541690 326199  
334511 332994 339999

## Corporate Overview

The greatest challenge in our industry is the gap between research and reality. Brilliant ideas often remain trapped in labs or prototypes while EOD and Special Operations personnel work with outdated gear.

EOD Gear bridges that gap. We unite academia, research, and industry to deliver mission-ready tools directly to the hands of end users.

We've replaced the outdated Commercial Off The Shelf (COTS) model with a completely new framework:

Custom Off The Shelf™ (COTS) – combining the speed of commercial production with the precision of bespoke design. This approach allows us to collaborate with universities, research institutions, and industry partners to rapidly prototype and produce gear tailored to mission demands.

Every tool is manufactured under ISO 9001:2015 standards, ITAR Registration, and ATF FFL and FEL manufacturing licenses.

From cocktail-napkin sketches to mission-ready kits, EOD Gear transforms ideas into reality.

Our tools are trusted and fielded by U.S. and allied EOD, Special Operations, Bomb Squad units, and Humanitarian Demining organizations worldwide.

If your mission demands speed, precision, and innovation – EOD Gear delivers Custom Off The Shelf™ (COTS) solutions built for the War Fighter.

## Certifications:

- ISO 9001-2015
- CMMC2 Enhanced JPC
- ITAR Registered
- CVE SDVOSB
- ATF FFL Type 10 Manufacturer
- ATF FEL Type 20 Manufacturer

## Differentiation:

- U.S. In-House CNC Precision Manufacturing
- Berry Compliant Materials – Stainless & Aluminum
- ISO 9001:2015 Certified Production Facility
- ITAR Registered Manufacturer – Not a Reseller
- ATF Licensed FFL Type 10 & FEL Type 20
- Design-to-Delivery Custom Fabrication
- MIL-Grade Tolerances & Quality Controls
- GSA Direct – No Middleman Markup
- 13 Years Manufacturing Past Performance
- 14,000+ Clients | 18,000+ Transactions
- Training Available on All Manufactured Gear
