## CABINET CONSTRUCTION MATERIALS

### MELAMINE

Budget-friendly, smooth, easy to clean surface made from MDF with a melamine coating.

### PLYWOOD

Made from layers of real wood veneer glued together. Strong, stable, and long-lasting.

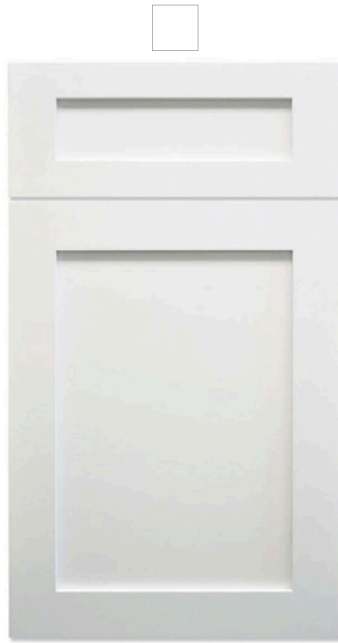

Choose the cabinet material that fits your style and budget.

# CABINET DOOR OVERLAYS

**STANDARD  
OVERLAY**

Door partially covers  
cabinet frame

**FULL  
OVERLAY**

Door covers most of  
cabinet frame

**INSET**

Door is flush with  
cabinet frame

Overlay determines how much of the cabinet  
frame is visible.
