## CERAGEM V7

A New Standard in  
Everyday Recovery

Featuring Ceragem's signature spinal and  
thermal technologies.

**3 COLORWAYS**  
To Elevate Your Space

○ White

● Black

● Camel Brown

## Redefining Relief. Designed for Daily Life.

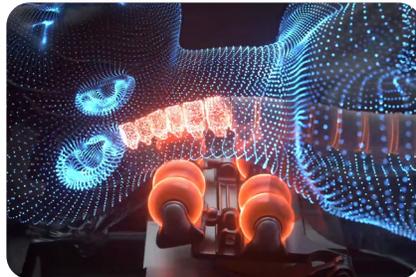

*The care you expect from a clinic. The calm you want at home.*

From the moment you lie on the Ceragem V7, precise traction and targeted heat begin working in sync with your body. It's clinically engineered for recovery, relaxation, and restoration - all from the comfort of your space.

### Smart Spine Scanning

Tailors every session to your spine for natural alignment and personalized relief.

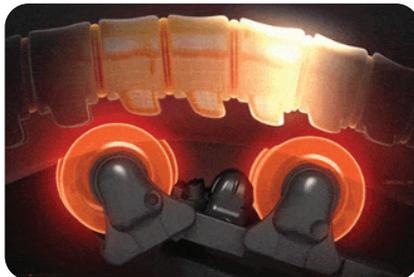

### CeraCore Engine

Delivers slow, steady traction to decompress and realign your spine.

### Thermal Relief

Reaches 149°F fast to ease deep tension and soothe core discomfort.

### Thermal Massage Wheel

Rapidly warms up to 149°F in minutes, steadily delivering targeted warmth from the start of the massage.

## FDA Class II Cleared

Thermal Treatment & Stress Reduction  
Blood Circulation Improvement  
Muscle Pain Mitigation

## ELEVATE YOUR SPACE

The Ceragem V7 enhances your living space as a design-oriented health solution.
