What Is Home Healthcare?

Home care is supportive care provided in homes and community facilities. Care may be provided by licensed healthcare professionals who provide medical treatment needs or by professional CAREgivers who provide daily assistance to ensure the activities of daily living are met.

EROS Healthcare Services, LLC is a non medical In-Home Health Care agency. We provide that personalized touch where individuals are respected and treated with dignity.

A trusted provider of home care services that are tailored to meet your individualized needs.

EROS Healthcare Services, LLC is fully licensed and insured to conduct business throughout the state of Pennsylvania and New Jersey.
