To whom it may concern,

The Marketing Hub and Cogent Impact Advisory Testimonial

As the NSW Anti-slavery Commissioner, I procured a tender for a partner to support in the delivery of the in-person, 4th edition of the Anti-slavery Forum – Building Freedom Together, held in Wollongong on 5 & 6 November 2025.

The successful delivery of the forum reflected the strength and professionalism from our delivery partners, The Marketing Hub Australia and Cogent Impact Advisory.

The Marketing Hub Australia went above and beyond expectations to ensure the Forum was delivered seamlessly. Their attention to detail, clear communication, and commitment to excellence resulted in a well-organised, engaging, and impactful event. Delegates consistently remarked on the high level of coordination and the welcoming atmosphere throughout the two days.

Cogent Impact Advisory provided specialist expertise in modern slavery and completed supplier due diligence for the event, ensuring ethical and transparent practices across all aspects of delivery.

Together, both teams worked collaboratively and effectively with our office to deliver an event that exceeded expectations. Their professionalism, integrity, and shared commitment to the purpose of the Forum were evident at every stage of planning and delivery.

Our partnership and the high standard of work contributed to the Forum's success.

Sincerely,

Dr James Cockayne
NSW Anti-slavery Commissioner
