MARS FAMILY UPDATE

Many of you already know that **I had a heart attack last week**. Thursday afternoon my wife rushed me to the emergency room here in Andalusia, a small hospital with limited resources. After blood tests every hour or so, they determined that I had a heart attack. At 10:00 pm they sent me to West FL Hospital in Pensacola for more testing, but because of the 4th of July holiday, they had to keep me there until Monday to conduct a heart catheter. The catheter revealed a 100% blockage in an artery too small for a stint and at the end of the artery making bypass unfeasible. They sent us home Monday evening with a bag full of pills and a prescription for lifestyle and eating change. So, for the last couple of days my precious wife has been overhauling our refrigerator and grocery closet contents, reading every label intently. She's a great cook, but even gourmet food without salt is like grazing in the yard. Pray for us.

CHURCH MINISTRY UPDATE

We have been helping two churches here in Alabama for several months now:

Scripture Truth Baptist Church where the pastor just resigned after 28 years of fruitful ministry. The church now has an interim pastor and my services should not be needed going forward. Please pray for this church and the new pastor. Pray also for the retired pastor, Brother Carroll Parker and his wife Amy. They are dealing with multiple physical issues.

New Hope Independent Baptist Church which is without a pastor at present. I preach for them on Wednesday nights and occasionally on Sunday mornings. Please pray that God will send the right man of God to shepherd these precious folks.

SEAFARER EVANGELISM UPDATE

Our online sermon plays were down for **June**, only **26** internationally, 9 from Singapore, 1 from Australia and the rest from the U.S. However, business is already picking up in **July. 32 plays in 9 days**: Singapore 11, Japan 8, United States 6, China mainland 4, Nigeria 2, Hong Kong 1. **More than 1500 lifetime plays.**

RADIO OUTREACH UPDATE

The Issues of Life Radio Show, airing every Wednesday at Noon, on WTGF 90.5 in the Pensacola market, is doing well and getting good response from the community. The show is available online at: **WTGFm.com**. Please pray that people will come to a saving knowledge of Christ through this program.
