AFFIDAVIT OF Bonnie Jones

Civil No. 150908687

Judge: James Gardner

The undersigned, Bonnie Jones, being first duly sworn, deposes and says:

1. I am over the age of 18 years and am competent to testify in the above referenced matter.
2. I am a graduate of George Wythe University.
3. I received my MA in Education.
4. I enrolled in George Wythe University because it offered an alternative educational model that focused more upon the individual and less upon rigid structures.

5. I knew George Wythe University was not an accredited institution and understood that its status could affect the marketability of my educational background.

6. Despite its less than mainstream status, I still chose to enroll in the school and I was extremely happy with the education I received there.

7. I attribute a significant amount of the quality education to Oliver Demille. He was an amazing educator and an inspiring man.

8. I am shocked and saddened by the attacks “my university” has levelled at a person I so deeply admire.

9. I have personally read my school’s October 16, 2015 article titled “GWU’s Final Chapter- The Cleansing of Valid Degrees” and it is my firm desire that the article be removed.

10. I believe this article greatly and falsely maligns Oliver Demille and Shanon Brooks.

11. Moreover, even if their efforts are genuine in trying to preserve the integrity of our degrees I believe the article does far more harm than good.

12. In my opinion, Oliver Demille and Shanon Brooks were the pillars of George Wythe University for over a decade. By attacking them I think it casts a negative light on our entire educational experience.

13. It has come to my attention that George Wythe University is using the alumni as support to keep the articles on their site. In no uncertain terms it is my firm wish that the articles be removed immediately.

14. I believe the articles have false and misleading information about Mr. Demille and

Brooks and I think they are far more harmful to the school's reputation than helpful.

15. Since I graduated from George Wythe University, I have mentored/ taught at two charter schools and have opened my own private school. I was able to renew my teaching license through Paradigm High School because of their acceptance of the quality of education I had at GWU.

16. I have been mentored personally by both Shanon Brooks and Oliver DeMille, and I found their mentoring and integrity second to none. I am saddened that GWU is maligning the education that I received from these men.
