***Red Light Therapy
at Home***

~~Reg. \$629~~

Sage Special: \$369

LUMEBOX is a portable, independently-tested red light therapy device that emits 660nm red and 850nm near-infrared light — two of the most-studied wavelengths in photobiomodulation research. Built for skincare routines, post-workout recovery, and the temporary relief of minor muscle and joint pain. Your daily wellness companion — anytime, anywhere.

Stop in and feel how it works!

Dr. Mercola's
VITALITY TANNING BED

Book Online:

SageWellnessCenter.life/vitalitybed

Call or Text: 989.522.7787

M-Sat: 9am-6pm

Walk-Ins Welcome

Get your **vitamin D** the natural way, from UV light (just like the sun). Help relieve the symptoms of SAD during the fall, winter and spring!

The benefits of **UV rays** that help your body produce its own Vitamin D.

Red & Blue light in the 633 nm range to reverse wrinkles for more youthful skin.

Infrared light to provide temporary relief of muscle and joint pain, stiffness, and spasm, and improve blood circulation.

Tanning Sessions can last anywhere from 1-20 mins. depending on your skin type.

Your goal is to make skin just slightly pink, NOT red, for optimal exposure.

PRICING

(+ 10% Excise Tax not included)

1 Session - \$10.00

5 Sessions - \$40

10 Sessions - \$80

20 Sessions - \$170
