

The Simplest Rollout You'll Ever Do

6 STEP **brenna** IMPLEMENTATION PLAN

Launch Brenna in 3 weeks
with 6 steps and transform
staff-family updates
effortlessly

1

Initial Implementation Set Up

Preparation and setup for Brenna rollout, including users, roles, and settings

2

Communication to Staff

Information shared with staff to introduce Brenna and prepare teams to use the platform

3

Integration with Clinical System

Integration of resident, family and staff data

4

Communication Package to Families

Letters sent to families to introduce Brenna and guide app download and use

5

Staff Training via Online Modules

Self paced online training for staff

6

Brenna Go Live

Staff start sending updates to families through Brenna
