NEW MODULE

Brenna Forms & e-Signing Module

Take the headache out of forms, consent and signatures.

Forms made easier for everyone.

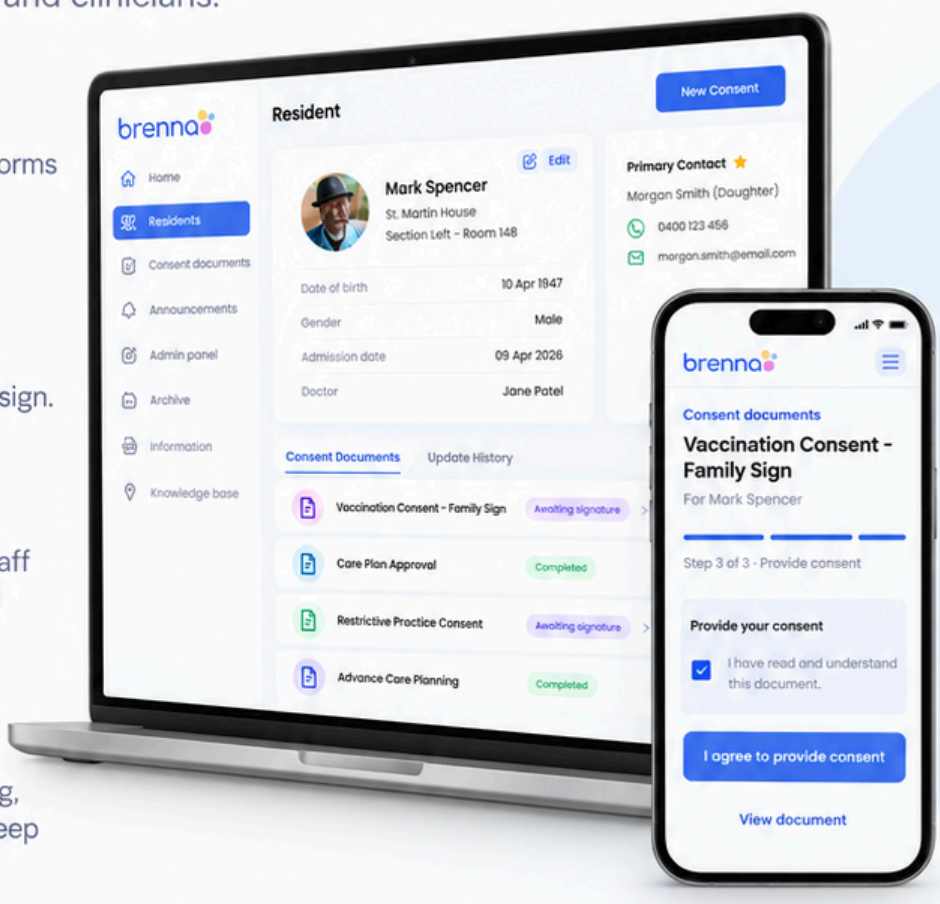

Brenna brings the whole forms and signing process into one simple digital workflow, making life easier for care teams, families, residents and clinicians.

1 **Create**
Build reusable digital forms or use existing PDFs.

2 **Send**
Choose who needs to complete, approve or sign.

3 **Sign**
Families, residents, staff and clinicians can sign electronically.

4 **Track**
See what's outstanding, send reminders and keep a complete audit trail.

Save staff time
Reduce paperwork, chasing signatures and manual follow-up.

Stay organised
Track outstanding forms, reminders and renewal dates.

Stronger governance
Securely store completed forms with a clear audit trail.
