Season 7 Schedule

Classes marked "Invite Only" are placement-based or competitive only. If you are interested in a higher-level class, please contact the studio for an assessment to determine the best fit.

The studio reserves the right to adjust the schedule or change a student's class placement to ensure the best fit. Class groupings are based on a variety of factors and are designed to create the best possible learning environment for all students.

Classes in **BOLD** will only be opened once classes earlier in the week are filled.
