1. No Promise of Specific Results

Tai Coaches LLC does not guarantee any specific result, personal transformation, emotional shift, business outcome, revenue increase, client growth, productivity gain, relationship change, or other measurable outcome from any product or service.

2. Individual Results Vary

Results vary widely and depend on factors that include your history, effort, timing, external conditions, industry, capacity, consistency, decision-making, and implementation.

3. Examples Are Illustrative

Testimonials, stories, and hypothetical examples are for illustration only and should not be interpreted as average or guaranteed outcomes.

4. Marketing Claims and Disclosures

Where a claim needs qualifying information to avoid being misleading, that qualification should be presented clearly and conspicuously. Tai Coaches LLC uses this disclaimer to support compliant interpretation of outcome-related language on its pages and materials.
