Evaluate your potential out-of-pocket costs

- Located in your secure member account, the dental cost estimator lets you compare estimated procedure charges based on ZIP Code. You can search estimates for both in-network and out-of-network providers.
- Ask your dentist to submit a pretreatment estimate for any dental work you consider expensive. Then Ameritas will let you know the amount insurance will cover so you can budget for the remainder. The pretreatment estimate is based on your plan benefits and submitted claims.

For illustrative purposes only. Allowance and cost estimates are specific to ZIP Code 605XXX. The initial cost without insurance has been estimated. Actual charges may vary.

Save money

You can use your dental benefits with any provider. The thing to consider is out-of-network dentists will charge you their regular rates, whereas Ameritas network providers have agreed to charge you 25-50% less. After your plan benefits are applied, you pay the remaining balance.

Find out if your dentist is in the network

Visit ameritas.com, Find a Health Provider, to find a new dentist or see if your current provider is in the Ameritas Dental Network. For a list of providers that allow you to use your in-network benefits in Mexico, select Find a Contracted Provider in Mexico.

Nominate your dentist

If your dentist is not in the network already, just go to ameritas.com, search for “nominate a provider” and complete the online form.
