

STOP DROWNING

Your business needs time and focus, not optimizing websites, following the newest social trends or fighting with a bad review on Google.

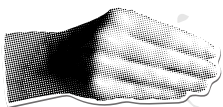

We bring 20+ years of experience to handle a wide-variety of marketing needs, freeing your bandwidth and providing peace of mind.

A PARTNER THAT SCALES, WHEN **YOU** DO.

Your company needs flexibility that matches your needs when you need them, not a rigid long-term commitment.

Receive elite-level marketing at a fraction of the cost:

- **Targeted One-Offs tasks** – ‘I need a logo’
- **High-Velocity Sprints** – ‘I need a website and SEO’
- **Fractional Leadership** – ‘I need someone with marketing experience without the overhead expense’

The MARK IN MARKETING Blueprint

1

DISCOVERY SESSION (FREE)

A deep-dive consultation to discuss your needs, wants, and wishes. We identify the bottlenecks holding your growth back.

2

THE BLUEPRINT & RECOMMENDATIONS

Present the findings alongside a custom plan of attack, including clear pricing and projected outcomes. No guesswork.

3

CONTRACT & EXECUTION

We lock in the strategy and begin the build. Whether it's a 2-week sprint or a long-term partnership, the work starts here.

4

ANALYSIS & THE FEEDBACK LOOP

We don't "post and pray." We analyze the data, regroup on performance, and establish clear expectations to ensure long-term ROI for your business.
