REGIONAL + OUT-OF-STATE

Primarily Northern Utah, with confirmed participants traveling from across the Western U.S.

Womb InBody'D is being brought to life by a growing **network of facilitators, practitioners, vendors, creative collaborators, and community partners**—each bringing their own people, stories, and reach into the experience.

When you sponsor Womb InBody'D, you're not simply purchasing advertising or renting a booth. You're creating a meaningful point of connection with an engaged community through an experience centered on embodiment, wellness, creativity, joy, and belonging.

From immersive activations and thoughtful product placement to social visibility and professional event content, your sponsorship creates real-world connection and lasting brand visibility that extends beyond November 17th.

Your sponsorship helps create a space where people can heal, connect, play, move, express themselves, and experience something they might not otherwise have access to.

A portion of sponsorship funding will also create scholarship opportunities for marginalized and under-resourced humans to attend **Womb InBody'D**.

Facilitators, vendors, partners, and sponsors each become part of the larger story—sharing the experience with their own communities and helping more people discover the work, people, and brands brought together in the room.

MORE THAN VISIBILITY

CHOOSE YOUR WAY IN

We've created a few ways to partner with **Womb InBody'D**, from putting your brand at the center of the experience to helping us put more people in the room.
