

ISAAC WAMBUA

LEADERSHIP SYSTEMS ARCHITECT | 5X BEST-SELLING AUTHOR |
FOUNDER & CEO, DYNAMO METHODS

Isaac Wambua is the founder and CEO of Dynamo Methods and a five-time bestselling author. An industrial engineer by training, he equips executives and founders to build self-managing organizations and develop leaders who multiply impact within and outside their organizations. His latest book, **The Multiplier Leader** (May 2026), anchors his signature keynote of the same name.

Signature Keynotes

#1: The Multiplier Leader

How Great Leaders Multiply People,
Purpose, and Impact

#2: How to Build a Business That Runs and Thrives Without You

The 7 Systems Every Business Needs to
Sustainably Grow and Scale

#3: Break the Lock

Reclaim the Power They Never Had a Right To
(Inspirational, story-driven.)

“What People are Saying”

★★★★★

"Isaac doesn't just speak — he installs a framework that changes how your leadership team operates."

— MARK LOWERS
CEO, LOWERS RISK GROUP

★★★★★

"Real leadership isn't about control; it's about building people. Isaac speaks to that truth with depth, clarity, and integrity."

— JOEL GOLDBERG
TV BROADCASTER, SPEAKER & AUTHOR

★★★★★

"One of the rare leadership voices that doesn't add noise — it removes it."

— BRONSON KO
FOUNDER & CEO, KOMA WAY
