*Professional • Reliable • Detail-Oriented*

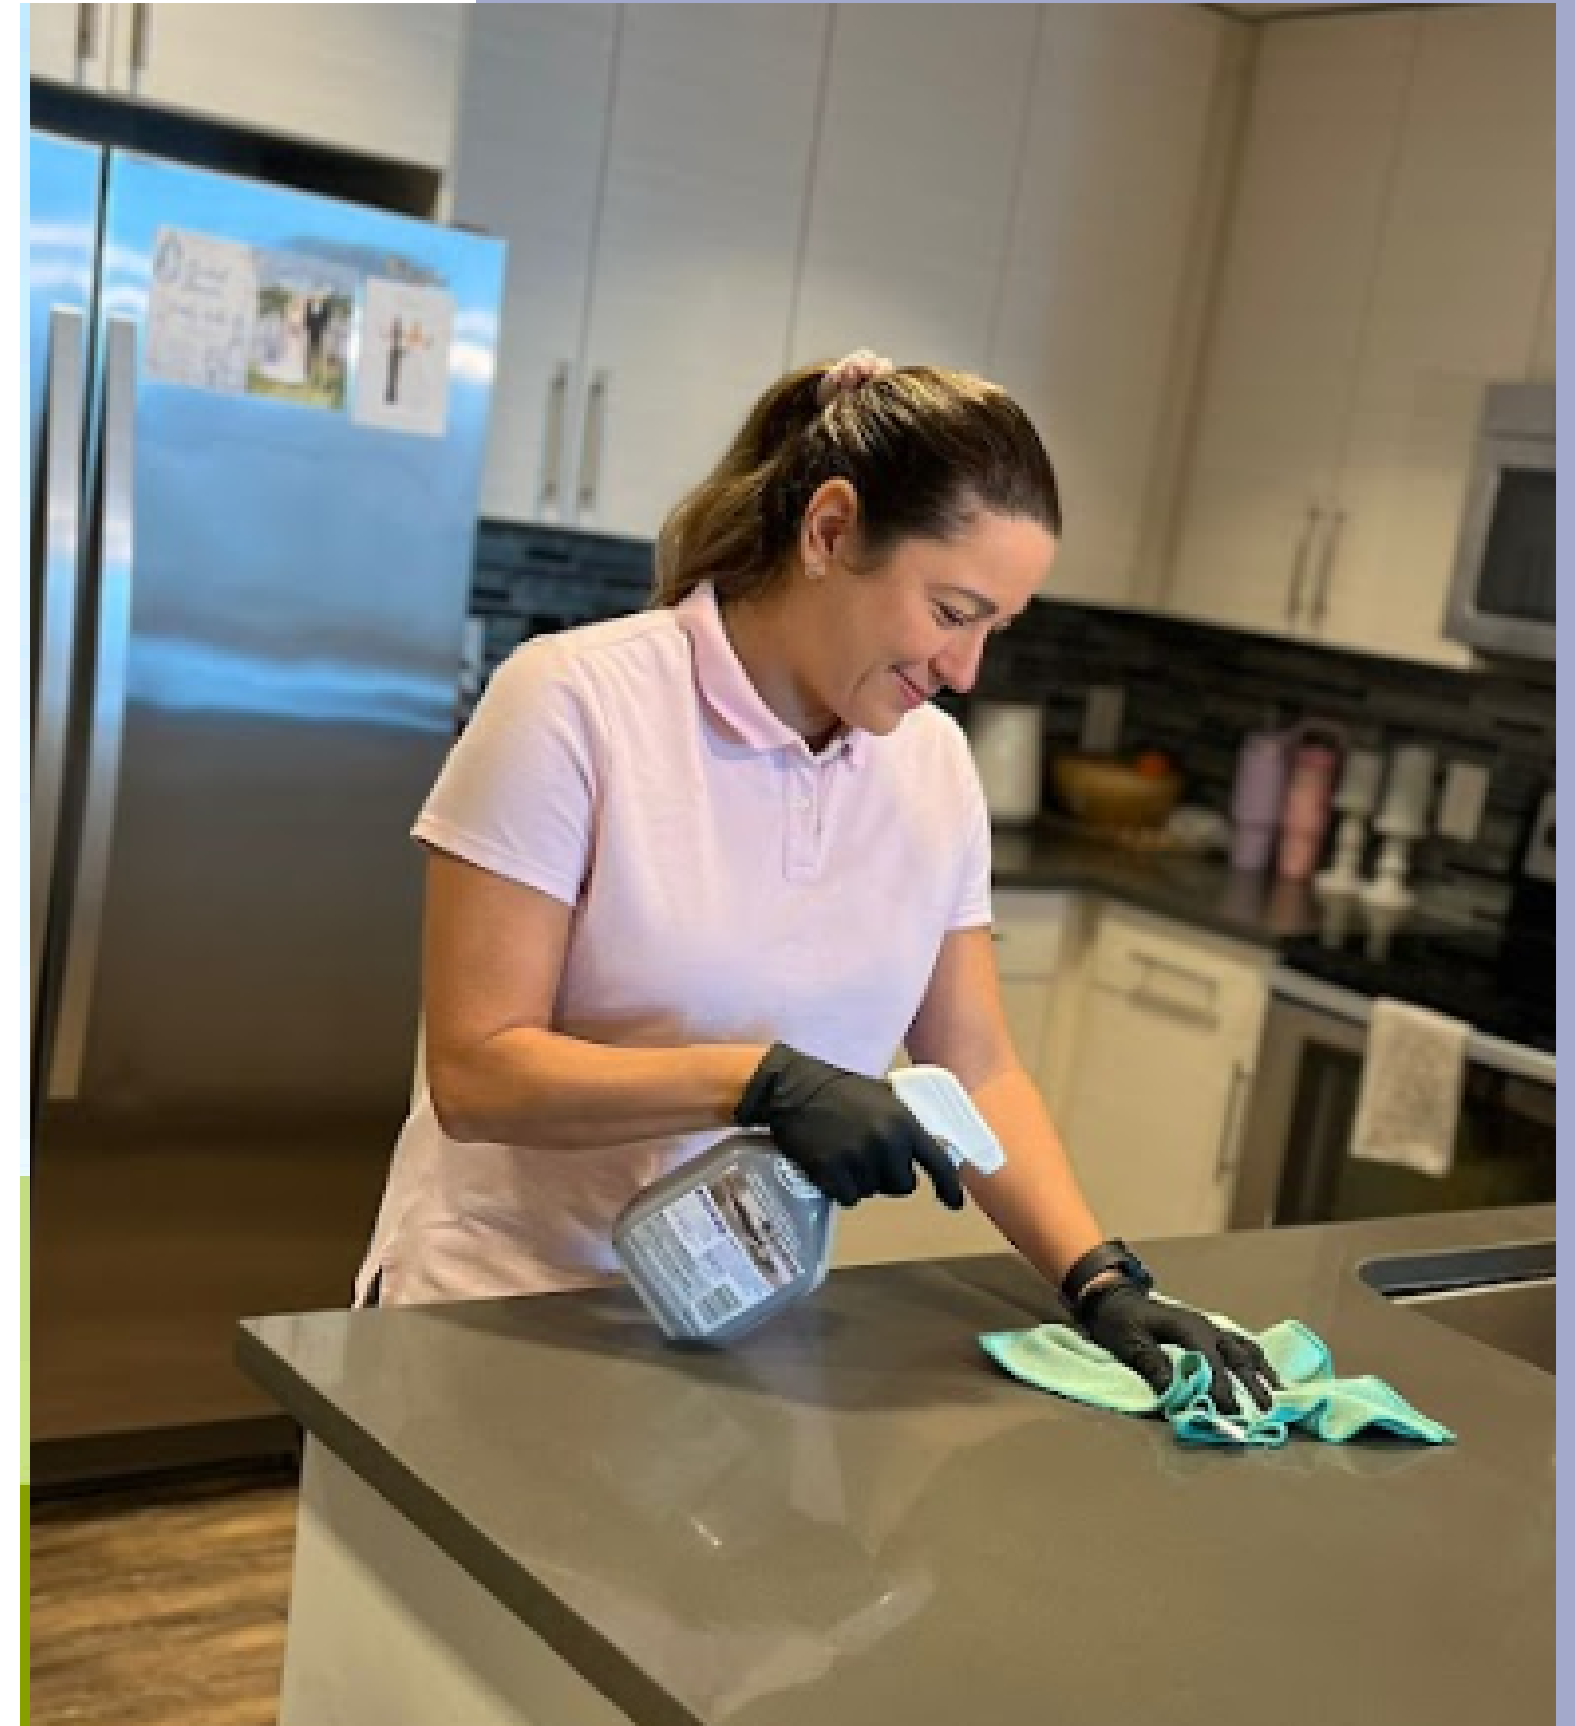

*Charlotte, NC*

# About us

Chrisan Cleaning Services is a professional cleaning company based in Charlotte, NC, specializing in residential and vacant property cleaning.

We focus on delivering consistent, high-quality results with strong attention to detail. Our goal is to help maintain properties in excellent condition, ready for occupancy, listing, or sale.

We take pride in being reliable, efficient, and easy to work with.

# Our Mission

To deliver consistent, detail-oriented cleaning services that enhance the presentation and value of every property, while providing a reliable and professional experience our clients can trust.

# Our Services

---

We offer a range of professional cleaning services tailored to different property needs:

- Standard Cleaning
- Deep Cleaning
- Move-Out / Vacant Cleaning
- Home Organization
- Post-Construction Cleaning
- Add-On Services

# Standard Cleaning

---

Perfect for regularly maintained properties:

- Dusting all accessible surfaces
- Kitchen cleaning (countertops, exterior appliances)
- Bathroom cleaning and sanitizing
- Vacuuming and mopping floors
- General tidying

# DEEP CLEANING

---

Detailed cleaning for properties that need extra attention:

- Baseboards, doors, and trims
- Inside cabinets (upon request)
- Detailed bathroom and kitchen cleaning
- Window cleaning (interior)
- Hard-to-reach areas

# MOVE-OUT / VACANT CLEANING

---

Ideal for empty properties preparing for sale or new tenants:

- Full property cleaning (top to bottom)
- Kitchen and appliances (interior optional)
- Bathrooms fully sanitized
- Floors, windows, and surfaces detailed
- Ready for listing or inspection

# HOME ORGANIZATION

---

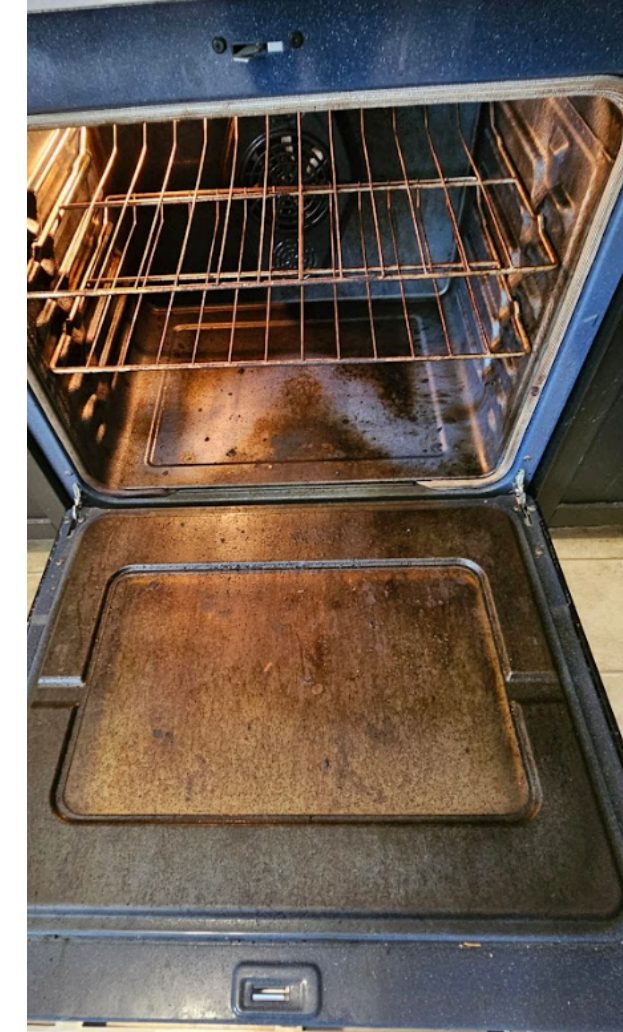

We help improve functionality and order in living spaces:

- Kitchen organization
- Closet organization
- Decluttering and sorting
- Light organizing for move-outs or transitions

# ADD-ON SERVICES

---

Available upon request:

- Refrigerator cleaning (inside)
- Oven cleaning
- Inside cabinets
- Laundry & bed making
