BRILLIANCE

WHAT IS THE ASCENSION

Ascension is a process that is far beyond merely aspiring to connect to your higher wisdom. Ascension is a biological and energetic evolution.

It requires bringing all of your soul fragments/particles of creation, or aspects, across all of your incarnations here on Earth and beyond, 'home', and clearing any distortions or misalignment from the Organic Universal Laws*. Then, once cleared and brought back into Zero-Point wholeness, fully to embody and anchor ALL of yourself into physicality, here and now.

It is a systematic process of rebuilding your multidimensional bodysuit and energetic Lightbody structures/blueprints, which, once completed at a high enough frequency, allows access to the Organic Universe and "pre-fall" states of consciousness. The universe beyond the one we are currently experiencing separation and duality, or what many call the "matrix."

EVOLVING OUT OF THE MATRIX

As a Multidimensional Being of Light (which you are), your soul's purpose is to break free/see beyond the illusion of separation and duality from Source Energy, Intelligence, Sovereignty, and embody the truth of who you are. A Divine Being of Organic Light.

The ability to "remove false mechanisms," i.e., belief systems, social conditioning, psychological programming, and more, which lock you into a very narrow frequency band of consciousness, is necessary for your evolution into higher states of consciousness.

All of humanity was 'genetically' altered to sever the connection to Universal Wisdom and Source. This is how the game of polarity and separation was created. And layers upon layers of false holographic programming are currently playing out in our perceived reality.

However, it's time to break free of the false/imposed distortions, reconnect your multidimensional circuitry (Organic functional Lightbody), and evolve beyond the inverted reality/matrix hologram we are currently experiencing here on Earth.

The opportunity to transcend your current experience is quickly accelerating. You can feel it or sense it on some level, which is why you are reading this. The reason you have been searching for deeper truths.

With all the energetic shifts and changes that Earth and humanity are currently undergoing, it provides the pathway for you to move beyond the distorted reality and matrix we have all been operating in.

It's time to reclaim your aspects/Unique Signature Frequency and clear it throughout the totality of your creations; i.e., your quantum fields.

ASCENSION INTO HIGHER CONSCIOUSNESS

Since the beginning of this civilization, humanity has been operating within an imposed false identification system, i.e., the human ego.

This system includes all of the false beliefs, conditioning, societal rules, religion, etc., which keep humanity in a lower vibration and an extremely disconnected state of awareness.

As the frequency of the Light on the planet continues to rise, and the predestined cosmic alignments provide the necessary support, it is time to evolve and return to the Organic Natural Universe.

In the inverted reality, time is experienced linearly. In the Organic Universe, time doesn't exist in the way we currently perceive it. Everything is happening in the ever-present Now Moment.

This means that although at this level of consciousness you perceive things as being the past, present, or future, at the quantum level, it's all happening simultaneously.

This is where true illumination from the 'current' perceived experience we are in happens, at the quantum levels of consciousness. It's not just about 'past lives' in human form. You have played in a vast array of bodysuits, systems, etc., to fully experience all this hologram (of the inverted universe) had to offer.

But now, the experiment is over. The experience or game is nearing completion, and all the "Beings" who originally created or constructed the holographic game are here. Yes, here, currently embodied on the planet, and together we are wrapping up the illusory game and waking up to the Organic Creator's we truly are.

The truth we have forgotten. Together as a collective team to remember.

YOU ARE HERE ON PURPOSE

As part of a collective soul group, who ALL agreed to embody, at this particular time in Cosmic History, to help humanity and all life, ascend from separation back into unity consciousness.

This is why so much focus has been placed on “healing”, starting with the baby boomer generation onward.

However, awakening and ascension require a wholistic approach. One that addresses the totality of who you are as a multidimensional Being.

This is where true enlightenment is experienced.

THE LAW OF ONE

Law of One: *This basic law of all creation is buried deep within each of our hearts because we really are one in love and in light, the building blocks of the universe. We are all manifestations of the One Infinite Creator. We are the Creator. We are not learning this law for the first time but are remembering it ...Our journey of self-realization is the discovery or remembrance of this essential truth, our essential identity. A waking up, as some have called it, within an illusion of separation.*
