Studio Wall

Starting at **\$1,995**

Maximize your space with The Studio Wall.

We designed this custom setup specifically for apartments and bedrooms that need a clean, modern aesthetic.

Our team takes care of all the technical details to give you a flawless finish with absolutely no cord clutter.

It's the ideal, straightforward upgrade for your room.

What's Included:

Professional TV Mounting using a low-profile slim bracket

Your choice of a floating shelf or a floating fireplace unit

Secure soundbar installation

Complete hidden wire concealment for a seamless look

Power relocation to eliminate dangling cords (if needed)

Fireplace Wall

Starting at **\$2,795**

Make your living room the ultimate place to relax.

By integrating your entertainment system with a modern fireplace, the Fireplace Wall creates a beautiful, architectural centerpiece.

It's the perfect fit if you want a seamless design that adds both warmth and character to your home.

What's Included:

Premium electric fireplace installation

Precision TV Mounting perfectly centered above the fireplace

Hidden Wiring to maintain a clean, seamless look

Dedicated power installation for both the fireplace and the TV

Structural options including a recessed fireplace, half build - out wall, or full build-out wall to match your space

Canvas Wall

TEXTURE | DIMENSION | PERSONALITY

Starting at **\$3,995**

This is where your wall becomes the main design feature.

The Canvas Wall goes beyond basic TV mounting by introducing architectural textures, custom finishes, and striking visual detail that transforms your space.

By blending decorative wall treatments with professional installation, your entertainment area becomes a polished focal point that brings style, depth, and personality to the room.

What's Included:

Professional TV installation

Decorative accent wall installation, with options such as modern wood slats, 3D panels, or custom textures

Fully concealed wiring integrated into the design

Optional LED lighting to highlight the textures and enhance the mood

Clean, custom-finished presentation tailored to your space

Media Wall

Starting at **\$5,495**

The Media Wall transforms standard living rooms and finished basements into dedicated entertainment hubs.

We build every unit to frame your screens perfectly, providing discreet storage for cables and consoles alongside open shelving for your personal decor.

The result is a flush, built-in finish that makes your media setup feel like a natural part of the home.

What's Included:

Complete TV installation and calibration setup

Custom shelving or media storage solutions to organize your equipment

Optional fireplace integration for added luxury

Advanced LED lighting for backlighting and ambient glow

Comprehensive hidden wiring and power management for multiple devices

Signature Wall

Starting at **\$6,995**

The Signature Wall is a bespoke architectural feature designed and built completely around your vision.

Whether you need warm integrated lighting, sleek wood accent panels, functional built-in shelving, or a modern flush-mount fireplace, we handle every detail from the initial blueprint to the final installation.

We bring together raw functionality and high-end design to build a space you'll actually want to live in.

Book a consultation to start drafting your project.

What's Included:

High-end fireplace units, including linear and multi-slided options

Premium accent panels, natural wood, or stone textures

Custom-built floating shelves or built-in cabinetry

Multi-layered LED lighting for depth and drama

Integration of multiple custom design elements tailored specifically to your space.
