Vodka In My Bones

Strawberry vodka lemonade with a difference

Serves 1 · Martini or coupe glass · Soak overnight, then 5 minutes

INGREDIENTS

Per martini or coupe glass

- 1 bone-shaped jelly sweet (I use vegetarian Haribo Bone Shakers)
- Vodka, enough to cover the sweets for soaking
- 1 large strawberry
- Clear lemonade to top up

METHOD

1. The day before, soak the bone sweets in vodka and leave them overnight.
2. Muddle the strawberries in a bowl, then spoon the equivalent of one strawberry into each glass.
3. Top up each glass with lemonade.
4. Finish by dropping a vodka-soaked ‘bone’ into each glass.

Evie’s tip *You can muddle the strawberries directly in the glasses if you prefer, but go gently so you don’t crack the glass.*
