

PELAGOS

Job Title: Laundry Supervisor

Position Summary

We are seeking an organised and experienced Laundry Supervisor to lead our laundry operations. You will be responsible for managing the daily workflow, ensuring high standards of garment and linen care, and maintaining the inventory of cleaning chemicals.

Key Responsibilities:

- Oversee the intake of private laundry; ensure all items are weighed accurately and recorded against the correct homeowner account.
- Managing laundry loads for the Care Centre, Restaurant, and Facilities to ensure a fast turnaround.
- Inspect all items for stains or damage before and after processing. Ensure folding and ironing meet estate standards.
- Monitor levels of detergents and chemicals; report requirements to Management.
- Ensure all industrial washers and dryers are operated correctly and maintained.
- Keep a log of linen counts and report any significant "wear and tear" to management.

Requirements:

- Previous experience in a senior or supervisory laundry role (Hospitality or Healthcare).
- Advanced knowledge of fabric care, stain removal, and industrial machinery.
- **Must** have own reliable transport and 2 contactable references.
