## **Job Title – Housekeeper – Care Centre**

### **Position Summary**

We are seeking a meticulous and compassionate Housekeeper to join our Care Centre team. This role is vital in providing a safe, hygienic, and comfortable environment for our residents. You must have a high level of empathy and a "clinical" eye for cleanliness.

### **Key Responsibilities**

- Perform deep-cleaning and daily sanitization of resident rooms, common lounges, and medical stations.
- Adhere strictly to healthcare-grade cleaning protocols to prevent the spread of illness.
- Assist with the careful handling and cleaning of linen and personal items as required.
- Ensure medical and general waste is disposed of according to health and safety regulations.

### **Mandatory Requirements**

- At least **two contactable professional references** (previous experience in healthcare or high-end hospitality is an advantage).
- **Own reliable transport** is essential.
- High level of patience, discretion, and attention to detail.
