IFG_GEN_HPYBDAY_CARD1_YR_2026_C

- To change out an image field with your agent photo or logo, click the indicated field
- A window will pop up indicating to select an image
- Hit the browse button in that window and select your image from your files
- If you don't have an image or logo file to place in the area, hit the "clear image" selection.
If you don't select clear image, the placeholder gray box will print.

This request for future contact form does not attempt to replace a valid Scope of Appointment.

Your consent is voluntary and allows a sales agent to contact you via telephonic sales and marketing calls and text messages using an automated system for the selection or dialing of telephone numbers, automated voice calls, AI generative voice calls, prerecorded messages played when a connection is made, or prerecorded voicemail messages. You are providing this consent even if your number is listed on a Do Not Call registry.

You may contact [Agent name at phone number goes here] to change your preferences at any time. Providing this permission or changing your preferences will not affect your eligibility for benefits and enrollment, payment for coverage of services or ability to get treatment. Data use charges and rates from your cellular carrier may apply.

Non-government entity.

- There are some instances where you need to add your information within a paragraph.
- Only add the information that's being asked for within the brackets. Be sure to delete the brackets on each end after you've added your information
- The information you type in will flow within the existing paragraph and automatically adjust.

Save the updated file to your computer

- When you're ready to use it, click File > Print
- In the Printer dropdown, select Save as PDF.
- Click Save and save to your computer.

You're done! Your personalized marketing piece is ready to use.
