Dr Kirana Arambage

MBBS DFFP MSc (Adv.Gynae.Endoscopy) MRCOG CCT

Dr. Kirana Arambage is a **GMC-registered Consultant Gynaecologist** with over 20 years of experience in complex benign gynaecology, specialising in **advanced endometriosis surgery and minimal access (laparoscopic) procedures**. He currently leads care at the **Oxford Endometriosis Care and Research Centre** at the **John Radcliffe Hospital**, and also serves as **Honorary Senior Clinical Lecturer** at the University of Oxford.

He holds a **CCT in Obstetrics and Gynaecology**, an **MSc in Advanced Gynaecological Endoscopy**, and is a diplomate of the **European Society for Gynaecological Endoscopy (ESGE)**. His medico-legal expertise includes advanced laparoscopic complications, failure to diagnose or refer in endometriosis, pelvic pain syndromes, fertility compromise, and delayed treatment.

Dr. Arambage is **Bond Solon trained** in both **Excellence in Report Writing** and **Introduction to Civil Procedures**, producing clear and CPR-compliant expert reports typically within **2 weeks of instruction**. He is a national trainer for gynaecological simulation and endoscopy and has co-authored over 20 publications in surgical safety, simulation training, and Cochrane reviews.
