Dr. Monika Vij

MBBS, MS (Obs & Gynae), MD (Plymouth, UK), MRCOG

Dr. Monika Vij is an internationally trained and UK-based Consultant Subspecialist in Urogynaecology, currently practising at Singleton Hospital, Swansea. With more than two decades of clinical experience in gynaecology and urogynaecology, she holds key leadership roles in clinical governance, risk management, and education in Wales. She is the Training Programme Director for Subspecialty Urogynaecology in Wales, and a Faculty Lead for Trainers under Health Education and Inspectorate Wales.

Dr. Vij is a published researcher in both national and international journals, with a prolific academic background in pelvic floor dysfunction, continence, central sensitivity syndromes, and urodynamic diagnostics. She provides CPR Part 35-compliant medico-legal reports with a turnaround of 2 weeks and is listed on the UK Register of Expert Witnesses
