## **Dr. Apryll Chase**

### **FRCOG**

Dr Apryll Chase is a Consultant Gynaecologist with over 20 years of clinical experience and a specialist focus in early pregnancy care, gynaecological imaging, and minimally invasive surgery. She holds substantive consultant status at the Royal Berkshire Hospital, where she serves as Clinical Lead for both Gynaecology Governance and the Early Pregnancy Unit. Her leadership responsibilities include risk evaluation, service improvement, and clinical mentorship of senior trainees and medical students from the University of Oxford.

As a medico-legal expert, Dr Chase provides evidence-based opinions in cases relating to benign gynaecology, colposcopy, and miscarriage management. She is registered with the General Medical Council and is a Fellow of the Royal College of Obstetricians and Gynaecologists. She has undertaken formal medico-legal training with Bond Solon, including Excellence in Report Writing and Discussions with Experts, and is known for producing clear, well-structured reports that are sensitive to the practical needs of instructing parties.
