Mr Alex Swanton

MBBS MD FRCOG

Mr Alex Swanton is a Consultant Gynaecologist at the Royal Berkshire NHS Hospital Trust, specialising in reproductive medicine and laparoscopic surgery for benign gynaecological conditions. He has over 17 years of consultant-level experience, combining a busy surgical NHS and independent sector practice with leadership roles, including five years as Medical Lead for Gynaecology and seven years as Clinical Governance Lead.

Alongside clinical practice, he is Director of TFP Thames Valley Fertility, one of the UK's leading fertility clinics, and is actively involved in teaching and supervising medical students and specialist trainees.

Mr Swanton has completed structured medico-legal training, including Inspire MediLaw's Expert Witness Training (Royal Society of Medicine accredited) and RCOG's Medico-Legal Expert course. He is ICO registered, GDPR trained, and complies with CPR Part 35. He has expertise in cases involving reproductive medicine, fertility, endometriosis, fibroids, and advanced laparoscopic surgery. His medico-legal reports are clear, structured, and evidence-based, with a turnaround of 2–3 weeks.
