Dr Jayshri Shah

MBBS, MD Medicine (Mumbai), DNB Medicine , MNAMS (New Delhi) MRCP (UK)
CCT Gastroenterology, Hepatology and General Medicine (UK) Fellowship In Liver
Transplant (QEH , Birmingham UK)

Dr. Jayshri Shah is a **GMC-registered Consultant Hepatologist and Gastroenterologist** with over 20 years of specialist experience, holding dual CCT accreditation in **Gastroenterology, Hepatology, and General Internal Medicine**. She currently leads the hepatology service at **London North West University Healthcare NHS Trust**, with additional clinical responsibilities at **St Mark's Hospital** and **Royal Free Hospital (Liver Transplantation)**.

A Fellow of the Royal College of Physicians and trained at the internationally recognised **Queen Elizabeth Hospital Liver Unit**, she brings advanced expertise in complex liver conditions, transplant hepatology, and gastrointestinal diagnostics. Dr. Shah has also served as an **IQiLS Assessor** for the Royal College of Physicians and has held governance, educational, and audit leadership roles across multiple NHS trusts.

She is **Bond Solon trained** in expert witness reporting and Civil Procedure Rules, and is regularly instructed on matters relating to liver failure, viral hepatitis, hepatobiliary complications, missed diagnoses, and transplant outcomes. Known for delivering **CPR-compliant reports within 2 weeks**, Dr. Shah combines academic rigor with clinical authority. Her track record includes **over 30 publications**, multiple regional and national presentations, and editorial experience with leading gastroenterology journals.
