Dr. Rajesh Chelliah
MBChB, MRCP

Dr. Rajesh Chelliah is a highly experienced Consultant Cardiologist and current Head of Cardiology at Glenfield Hospital, Leicester. With over two decades of focused cardiology practice, he brings deep expertise in echocardiography, ischemic cardiomyopathy, and non-invasive cardiac imaging. He is a published academic with peer-reviewed research in contrast echocardiography, and a regular examiner for national cardiac societies, including the British Society of Echocardiography and Royal College of Physicians.

Dr. Chelliah is a registered Expert Witness, providing CPR Part 35-compliant reports. He offers a balanced perspective with a standard report turnaround of 2 weeks, combining clinical authority with extensive involvement in national training and education
