Prof. Dr. Curd Bollen

DDS, MSc, PhD, PGCert (Multiple Institutions)

Prof. Dr. Bollen is a highly experienced Periodontal Specialist and Expert Witness with over 27 years of specialist clinical, academic and teaching experience in Periodontology and Implantology. He is recognised as a Periodontal Specialist in Belgium and has led specialist clinical practice for over two decades in the Netherlands.

He accepts instructions exclusively within Periodontology and Implantology, providing independent and objective expert opinion in matters relating to standard of care, breach of duty, causation, condition and prognosis.

Prof. Bollen holds formal expert witness certification through Cardiff University and Bond Solon and has extensive academic credentials, including a PhD in Periodontology. He combines high-level clinical expertise with significant academic and research output, including over 70 peer-reviewed publications.
