Dr Lorcan Sheppard

BSc (Hons), MBBS, FRCA

Dr Lorcan Sheppard is a Consultant in Anaesthesia and Intensive Care Medicine with over 20 years' experience in clinical practice, healthcare leadership, clinical governance and regulatory compliance. He has held Chief Medical Officer (CMO) roles since 2012, operating at Board level across private and charitable healthcare organisations.

He has extensive expertise in the safe delivery of clinical services, risk management, complaints and claims handling, and regulatory compliance. His work includes oversight of clinical governance frameworks, appraisal and revalidation of doctors, and ensuring adherence to Care Quality Commission (CQC) standards.

Dr Sheppard provides medico-legal opinion in cases involving clinical governance, standards of care, patient safety, and healthcare systems, delivering clear, structured and CPR Part 35-compliant reports
