Mr. Yahya Elhassan

MCh, MFSEM, FRCS (Tr&Orth), CCST, Dip Healthcare Management

Mr. Yahya Elhassan is a highly experienced Consultant Orthopaedic Surgeon and Clinical Lead for Trauma and Orthopaedics at County Durham and Darlington NHS Foundation Trust. He specialises in Foot and Ankle Surgery, including complex trauma, deformity correction, sports injuries, ankle arthroplasty, and diabetic foot management. He is the Lead for Foot and Ankle Trauma and Ankle Arthroplasty services.

With over 17 years of trauma and orthopaedic experience, Mr. Elhassan has trained across the UK and Ireland, completing advanced Foot and Ankle Reconstruction Fellowship training in Leeds and higher surgical training in Ireland. He has published multiple peer-reviewed articles and presented internationally at BOFAS, AOFAS, and ESMAC conferences.

He is actively involved in orthopaedic education, serves as an FRCS trainer and conference organiser, and is known for his clinical leadership and patient-centred care. Mr. Elhassan delivers Part 35-compliant expert witness reports on complex trauma, surgical complications, delayed diagnosis, and foot and ankle reconstruction outcomes.
