Mr. Michael Stephanou

BM, BMedSci (Hons), MRCOG

Mr. Michael Stephanou is a Consultant Obstetrician and Gynaecologist at Queen Alexandra Hospital, Portsmouth, with broad experience in benign gynaecological surgery, ultrasound, and outpatient hysteroscopy. He holds leadership positions as Post-Menopausal Bleeding Service Lead, Clinical Guideline Lead, and Undergraduate Placement Lead, reflecting his expertise in clinical governance, cancer pathway optimisation, and medical education.

Mr. Stephanou is registered on the UK Register of Expert Witnesses and is trained to deliver CPR Part 35-compliant medico-legal reports, typically with a turnaround time of 2 weeks. His medico-legal work draws on experience in diagnostics, operative gynaecology, and risk reduction across women's health services
