Mr Ian Colin Anthony Beckley

BSc, MSc, FRCS (Urol), FEBU

Mr Ian Beckley is a Consultant Urological Surgeon with specialist expertise in female, functional and neuro-urology, reconstructive urology and spinal injuries-related urological dysfunction. He has been a Consultant since 2014 and has developed a tertiary referral practice managing complex neuro-urological and reconstructive conditions.

His clinical practice includes management of patients with spinal cord injury, multiple sclerosis, spina bifida, transverse myelitis, cauda equina syndrome, cerebral palsy and stroke-related bladder dysfunction. He also has extensive experience in reconstructive surgery, neuromodulation and urodynamic assessment.

Mr Beckley provides medico-legal opinion in personal injury and clinical negligence cases involving neuro-urology, functional urology and complex urological injury. He delivers clear, structured and CPR Part 35-compliant reports grounded in contemporary consultant practice.
