Mr William Maynard

FRCS (Urol), MRCS, MBChB (Hons), BMedSc (First Class Hons)

Mr William Maynard is a Consultant Urological Surgeon at Wexham Park and Heatherwood Hospitals, Frimley Health NHS Foundation Trust. He has subspecialty interests in bladder cancer, paediatric urology and andrology, and was appointed as a substantive Consultant in 2025 following higher surgical training across North Central London and Thames Valley deaneries.

He currently serves as Bladder Cancer Lead and Clinical Effectiveness Lead for Urology, with responsibilities including clinical governance, pathway optimisation and quality improvement.

Mr Maynard has broad experience across general urology, endourology and andrology, with exposure to a wide range of urological conditions including cancer pathways, male health and paediatric urology.

He provides medico-legal opinion in urological cases, delivering clear, structured and CPR Part 35-compliant reports based on current clinical practice.

My Profile & Key Experience

Areas of Expertise

- General urology
- Bladder cancer and cancer pathways
- Paediatric urology
- Andrology and male health
