## **Dr Ngozi Onyinye Oketah**

**MBBS, DCH, DipHSM, MRCPI, FRCPCH, MPH, FFPAED, PGDipClinEd**

Dr Ngozi Oketah is a Consultant in General Paediatrics and Adolescent Medicine at Children’s Health Ireland, Crumlin, with extensive experience across paediatric medicine, adolescent health and child mental health.

She completed higher specialist training in paediatrics with additional fellowship training in adolescent medicine at University College London Hospital and a rotation in child and adolescent liaison psychiatry in Dublin. Her clinical expertise includes complex adolescent presentations, eating disorders, mental health conditions and multidisciplinary paediatric care.

Dr Oketah has a strong academic, leadership and teaching profile, with numerous peer-reviewed publications and international presentations in paediatrics and adolescent medicine. She provides independent medico-legal opinion grounded in contemporary clinical practice.
