Dr Sumit Das
MBBS, BSc, FRCA

Dr Sumit Das is a highly experienced Consultant Anaesthetist at Oxford University Hospitals NHS Foundation Trust, with over 18 years of consultant-level practice since his appointment in 2006. He is a former Clinical Lead for Paediatric Anaesthesia and has extensive experience across both adult and paediatric anaesthetic practice.

His subspecialist expertise includes paediatric anaesthesia across all surgical disciplines, with particular focus on craniofacial surgery, neurosurgery and interventional radiology. He also has significant experience in adult anaesthesia, including cosmetic, ophthalmic and ENT procedures.

Dr Das has a strong medico-legal profile, acting as a clinical negligence case reviewer for the General Medical Council and providing expert reports for both claimant and defendant instructions. He delivers clear, structured and CPR Part 35-compliant reports with standard turnaround within 30 days and expedited reporting available within 10 working days.

My Profile & Key Experience

Areas of Expertise

- Paediatric anaesthesia (all surgical specialties)
- Craniofacial and neurosurgical anaesthesia
- Adult anaesthesia (cosmetic, ENT, ophthalmic)
- Airway management and difficult airway
