Mr Joel Lambert

BSc, MBChB, MSc (MedEd), MRCS, MD, FRCS, FHEA

Mr Joel Lambert is a Consultant HPB and General Surgeon with extensive experience in hepatobiliary, upper gastrointestinal and colorectal surgery. He was appointed Consultant at Royal Blackburn Hospital in February 2025 following advanced specialty training and a dedicated HPB fellowship at Asan Medical Centre, Seoul.

He has a strong academic and research background, holding an MD from Lancaster University and leading multiple national and international research collaborations. He is the Founder and Director of BRIDGES (Blackburn Research Innovation & Development Group in General Surgery) and Principal Investigator for the SPECS Trial, focused on prehabilitation in major abdominal surgery.

Mr Lambert provides clear, structured, evidence-based medico-legal opinions within his scope of consultant surgical practice.

My Profile & Key Experience

Areas of Expertise

- Hepatopancreatobiliary (HPB) surgery
- General surgery
- Upper gastrointestinal surgery
- Colorectal surgery
- Emergency general surgery
- Surgical complications and outcomes
