Dr Sarah Anne Lowndes

BM BCh MA FRCP DPhil

Dr Sarah Lowndes is a Consultant Medical Oncologist at Great Western Hospital, Swindon, with over 16 years of consultant-level experience in the management of solid tumours. Her specialist clinical practice focuses on colorectal cancer, carcinoma of unknown primary (CUP), and acute oncology services.

She established the Acute Oncology Service at Great Western Hospital and has held multiple leadership roles including Oncology Department Lead and Trust Chemotherapy Lead. She currently leads the Carcinoma of Unknown Primary (CUP) multidisciplinary team and oversees systemic anti-cancer therapy services delivering approximately 800 treatment cycles per month.

Dr Lowndes has extensive experience in clinical trials as a Principal Investigator and has received national recognition from the National Institute for Health Research for her work leading commercial oncology trials. Her academic work includes numerous peer-reviewed publications and conference presentations in oncology and cancer therapeutics.

She provides independent, objective and CPR Part 35-compliant medico-legal opinions based on contemporary consultant practice in oncology.
