Dr Ejaz Hossain

MBBS, MRCP, MRCP (Gastro)

Dr Ejaz Hossain is a Consultant Gastroenterologist with specialist expertise in advanced diagnostic and therapeutic luminal endoscopy. He completed his Certificate of Completion of Training (CCT) in Gastroenterology in September 2023 and currently works as a Locum Consultant Gastroenterologist at Basingstoke and North Hampshire NHS Trust.

He has extensive experience in complex colonoscopy, upper GI endoscopy, endoscopic mucosal resection (EMR), and advanced polyp management. Dr Hossain has a strong academic background with multiple peer-reviewed publications and international presentations, particularly in colorectal neoplasia, endoscopic resection techniques, and the use of artificial intelligence in endoscopy. He provides clear, evidence-based medico-legal opinions within the scope of consultant gastroenterology practice.
