Dr. Vlad Tutuianu

BDS (Dentistry)

Mr Vlad Tutuianu is a General Dental Practitioner with over 20 years' experience in general dentistry across the UK and Romania. He has worked extensively in NHS, private, and mixed dental practices, including fully private practice and custodial healthcare settings. His clinical experience covers a wide range of routine and restorative dental treatments, cosmetic dentistry, and patient management within both primary care and institutional environments.

He has also undertaken postgraduate training in restorative dentistry, cosmetic alignment, and facial aesthetics, alongside experience assisting in dental implant surgery. Mr Tutuianu provides objective, evidence-based medico-legal opinions within the scope of general dental practice, standards of care, consent, record-keeping, and treatment planning.
