Mr Colin Gardner

BDS, MFDS RCPS(Glasg), PGDip Implant Dentistry (Distinction), AssocFCGDent

I am a highly experienced General Dental Practitioner with over 35 years of clinical experience and a specialist interest in Dental Implantology, Advanced Restorative Dentistry, and Aesthetic Dentistry. I am currently Principal Dentist and Lead Implantologist at Botanics Dental Care in Glasgow.

I have been involved in implant dentistry since 1997 and have developed extensive expertise in the placement and restoration of dental implants, advanced restorative procedures, occlusal rehabilitation, and oral surgery. I accept referrals from colleagues for implant treatment, advanced restorative dentistry, full mouth rehabilitation, and wisdom tooth removal.

In addition to my clinical work, I am a registered Dental Implant Mentor with the College of General Dentistry, the Association of Dental Implantology, and the International Team for Implantology. I am also a qualified Expert Witness, holding the University of Aberdeen / Bond Solon Expert Witness Certificate and am listed on the National Register of Expert Witnesses.
