

Fuel Thee Sound: Hydration Station

Hydration Station Sponsorship

Help Keep 110 Student Musicians
Safe, Healthy, and Ready to Perform

The Need

The Fort Lauderdale High School Band will host its annual summer band camp over 9 days, preparing nearly 110 student musicians and auxiliary members for the upcoming marching season.

Training takes place outdoors during South Florida's hottest weeks of the year. Students spend hours marching, rehearsing, and carrying instruments in extreme heat, making hydration essential for both safety and performance.

Band Camp Dates

July 20 to 21

July 23 to 24

July 27 to 31

Goal

Support approximately 110 students for 9 days.

We Are Seeking

- Bottled water
- Gatorade
- Powerade
- Electrolyte drink mix
- Financial donations to purchase hydration supplies

Sponsorship Opportunities

Official Hydration Station Sponsor

- Featured recognition as the Official Hydration Station Sponsor
- Logo on Hydration Station signage
- Recognition on social media
- Recognition on our website
- Thank you post highlighting your business

Supporting Sponsor

- Logo on sponsor signage
- Social media recognition
- Website recognition

Community Sponsor

- Social media thank you
- Website recognition

Estimated Hydration Needs

ITEM	ESTIMATED NEED
Student Musicians & Auxiliary Members	110
Band Camp Days	9
Bottled Water	2,000 to 2,500 Bottles
Sports Drinks (Gatorade/Powerade)	600 to 800 Bottles

Donations of any size are appreciated and help reduce costs for students and families.

About Team Sound Parent Association Inc.

Team Sound Parent Association Inc. is the nonprofit booster organization supporting the Fort Lauderdale High School Band.

We help provide resources that allow students to perform, compete, travel, and grow through music education. Our support includes uniforms, equipment, transportation, instrument maintenance, student activities, and program enhancements that strengthen the band's success throughout the year.

Why Your Support Matters

Your sponsorship helps students:

- Stay hydrated during outdoor rehearsals
- Reduce the risk of heat-related illness
- Focus on learning and performing
- Build teamwork, discipline, and leadership
- Participate regardless of financial circumstances
